STAND BACK, REAL CHROME!

MirraChrome™ is simply the best chrome paint available anywhere on the planet!
OFTEN IMITATED BUT NEVER DUPLICATED!

It represents the latest technological advance in reflective paints and offers a reflectivity of 95% as compared to real chrome plating. MirraChrome™ is the most reflective paint available on the market today that can be applied without the purchase of expensive specialized equipment.

**OEM
Approved**

This versatile product can be applied with any high quality paint gun and dries instantly into a brilliant, mirror-like finish. It is so reflective that it is regularly used to touch up real chrome plated finishes.

MirraChrome™ done by Peugeot OE in France

Alsa MirraChrome must be put over gloss black, then clear coated.
